

LAST MOUNTAIN RAILWAY

ADOPTION NOTICE
LMR 9000

The LAST MOUNTAIN RAILWAY (LMR), hereby adopts, ratifies and makes its own, in every respect as if the same had been originally issued by it, all freight tariffs, classifications, rules, notices, concurrences, traffic agreements, divisions, authorities, powers of attorney, or other instruments whatsoever, including supplements or amendments thereto whether or not filed with the Surface Transportation Board or the former Interstate Commerce Commission by the Canadian National Railways (CN) prior to August 20, 2009, insofar as said instruments apply from, to, at or via the stations of the Canadian National Railways (CN) set forth in the attached Exhibit.

ISSUED: August 1, 2009

EFFECTIVE: August 20, 2009

(The provisions published herein, if effective, will not result in an effect on the quality of the human environment.)
(Printed in Canada)

SCAC

The Standard Carrier Alpha Codes registered on the Railroad MARK industry reference file.

Section One

Adopted Station List

FSAC

LMR has assigned new Freight Station Accounting Codes (FSAC), and Open and Prepay Station List (OPSL) numbers to the adopted railway. The LMR numbers, which will be used to identify both the FSAC and OPSL, will replace the current numbers of the Canadian National Railway Company (CN).

SPLC

This is the Standard Point Location Code (SPLC) for the rail stations registered in Central Station Master Reference File (CSM IRF).

Station Name

These are the names registered in the AAR Central Station Master (CSM) for transportation, pricing and revenue application.

ST

This is the abbreviation for the state of the rail stations.

Station Type

Station Types included in this adoption are:

"O" Operating Station used for operating purposes only.
