

WHICH RAILSIGHT™ PRODUCT IS RIGHT FOR ME?

RailSight supports rail equipment owners, rail shippers and third-party logistics managers with mission-critical shipment and fleet management data. Because RailSight customers work in a wide range of business environments, we have created the product matrix below to help you decide which RailSight applications best fit your business needs.

RAILSIGHT™ PRODUCT MATRIX: WHICH RAILSIGHT PRODUCT IS RIGHT FOR ME?

VOLUMES	IN-HOUSE SYSTEM	INTERNAL IT SUPPORT	EXCEPTION MANAGEMENT	PRODUCT
High	Yes	Yes	Yes	RailSight Track and Trace
High	Yes	No	Yes	RailSight Monitor
High	No	No	Yes	RailSight Monitor
Low	Yes	Yes	No	RailSight Track and Trace
Low	No	No	No	RailSight Demand Trace
Low	No	No	Yes	RailSight Monitor
